

What are the most difficult problems you face in your work and home?

Are you looking for a temporary or a permanent job?

Describe your typical day:

Why do you think you will shine as a pet sitter?

What do you know about our company?

How good are you taking directions?

What do you think what make our clients happy and why?

Are you willing to learn more about pet care in your free time to improve yourself?

What is your favorite business (store, service) and why? Tell me about a time when a business or service made you feel happy and appreciated?

What is your least favorite business (store, service) and why? Tell me about a time when a business or service made you feel upset?
